

Langley Tax Lawyer

Langley Tax Lawyer - Our firm specializes in the handling the several tax disputes issues and has significant experience in tax litigation. Several corporations need our services to help them negotiate with tax authorities. We usually represent them before the courts on tax appeals.

Income, capital, commodity, and mining trade cases or taxation are all situations where our office is knowledgeable and experienced. By using all the resources which we have available, we guarantee that our client is totally prepared to handle information requests, audits, reassessment proposals, and voluntary disclosures. Our tax solicitors often call upon our tax litigators early on so as to advise our clients concerning the tax aspects of a transaction. Should a reassessment be unavoidable, we attempt to solve the dispute making use of administrative appeals. If this method does not obtain positive outcome, we endeavor to simplify the situation before starting the litigation process. Our main objective is to be able to help our clients come to a resolution quickly and efficiently.

Among our recent cases have comprised transfer pricing, interpretative questions and tax avoidance. These questions involve scientific research and experimental development expenses, foreign exchange, taxable benefits, and commodity and payroll taxes.

Our client base is formed by both foreign and domestic companies. These consist of some well known public institutions and partnerships, tax-exempt companies, as well as other businesses in the areas of financials, telecommunications, pharmaceuticals, and utilities. We ensure that a close working relationship is maintained on both a global and domestic level together with accountants, chief financial officers, tax executives and tax advisors.
