

Langley Lawyers Directory

Langley Lawyers Directory - The rules which govern tax law are complex and intricate. We provide clients with valuable suggestion which would aid guide them all through the development of a tax strategy. Our company provides a variety of services including litigation, tax planning and counsel. Our lawyers are efficient and affordable and would provide quality services and advice.

Our base of clientele is rather diverse, from the large multi-million dollar corporations within the industries of manufacturing, mining, finance and forestry or to small business including individual estates, start-ups, pension funds and trusts. We even offer help to charitable foundations. We have headquarters in Asia, Canada and the United States.

Our knowledge in specific industry tax cases, in particular those in commodity tax and international taxation, is renowned within the business. We talk to our estate and trust lawyers to be able to offer the client with up-to-date recommendation regarding charitable giving, employee benefits, estate planning, pensions, and offshore trusts. Our firm is usually called upon to give opinions and advice concerning the rules and regulations governing local and international taxation. We also focus in securities, real estate transactions, as well as the structuring and closing of corporate accounts.

Our company places a large emphasis on its practice in litigation. Our lawyers are completely capable in representing clients inside the courtroom but are also experienced at negotiating outside the courtroom. Tax disputes, specifically those situations concerning the industry subsidies, provincial sales tax, goods and services tax, cross-border taxation and the North American Free Trade Agreement, are another one of our firms specialties. Clients can rely on our company to write proposals to the federal and provincial finance and revenue ministries in search of legislative amendments.
