

Real Estate Lawyer Langley

Real Estate Lawyer Langley - The Real Estate Development lawyers at our company can assist our clients on problems regarding major commercial real estate development projects. We have played a major part in negotiating complex joint venture, partnership and co-ownership structures. We are here to help all through the entire development procedure. We help clients with take-over financing, development approvals, environmental compliance advice and final contract negotiation.

We have represented a lot of the biggest insurance lenders in the transaction of real properties, in addition to representing and working with credit unions, chartered banks, and pension funds. We have a tremendous amount of skill in project financing and commercial real estate transactions. We have accumulated extensive skill through our involvement in among the largest commercial real estate transactions and financing arrangements in the country. Ownership structures such as limited partnerships, joint ventures, corporations and syndications fall in our field of skill. We are well versed in financing instruments, including mortgages, leasehold financing, mortgage bonds as well as different secured financing arrangements.

We offer services to developers and investors of multi-unit residential and commercial properties, including shopping malls, industrial, commercial and residential projects. We count amongst our client's individual owners and investors, public and private companies, pension funds, trusts, foundations and life insurance companies.
