

Langley Family Lawyers

Langley Family Lawyers - Our family law practitioners help clients undergoing the breakdown of a common-law relationship or marriage with services and advice connected to divorce, business valuation, prenuptial agreements, and various legal problems. When marital-type relationships falter, clients require sound advice and assistance with respect to agreements governing their business and personal assets.

Clients want to maximize results and minimize costs and disruptions. Legal ramifications are best resolved with a combination of resourcefulness and common sense. Alternate dispute resolutions or direct negotiation are commonly sufficient to resolve family matters. Nevertheless, when suitable, family law problems could proceed to court.

Divorce Settlements

To assist our clients in acquiring satisfactory settlements, we have family law experts. matters of property division and spousal support that usually accompany a divorce is dealt with by our numerous knowledgeable family law lawyers. The law governing spousal support is always evolving and complicated. Clients rely on knowledgeable legal assistance in this area to be able to protect their interests. Increasingly, separation and cohabitation agreements are subject to variation and review in the courts.

Business Valuations

Key assets subject to division in a divorce proceeding normally include business holdings. To be able to provide the foundation for an appropriate disposition, the business needs an accurate valuation for the purpose of dividing assets. Our family law firm works with the correct professionals in order to guarantee the proper valuation of clients' business holdings.

Prenuptial Agreements

Several clients wish to choose prenuptial agreement in order to maintain their premarital assets just in case their marriage happens to fail. Our family law practitioners offer suggestion about and structure prenuptial agreements.

Estate Litigation

The defense of challenges to family trusts are a very important part of our family law practice. Divorce proceedings could put family trust assets at risk. Estate litigators act to preserve and protect family trust assets whenever a marriage dissolves.

Mobility Rights

After the dissolution of a marriage, the rights of parents to access and mobility might be compromised. Some of these problems comprise the ability of a parent to relocate in another country, city or province along with a child of the marriage. Family law works to make certain that the client's rights are protected and considered.
