Our goal is to provide the best tax, estate and retirement planning for our clients. We take an individualized method to estate planning. Our services are designed to help you meet your needs and accomplish your wishes for the future.

What Is Estate Planning?

Estate planning is a process involving your family, other individuals, and occasionally charitable groups. Estate planning involves your assets and the various kinds of asset ownership. Estate planning is an important step in managing your future in case you ever become unable to care for your wants.

Wills

Wills are an important factor of estate planning. We prepare wills at different levels of complexity.

Estate Administration

We help with probate of wills and estate administration. We give services concerning wills variation in addition to other estate litigation problems.

Family Trusts

We look after the implementation and management of family trusts as a part of tax and wealth preservation planning.

Representation Agreements

We can help with financial and legal matters, health problems, personal care matters, in addition to the preparation of representation agreements.

Committeeships/Adult Guardianship

We prepare your nomination of committee for your future health care needs and your application of appointment as committee.

Power Of Attorney

We provide preparation of specific and enduring powers of attorney.

Charitable Giving

When advising our clients regarding charitable giving, we can help you understand the tax advantages and the structure of donations to charities.

Corporate Reorganization

We can even help in the implementation of the reorganize of corporations in regards to how they could affect estate planning.
