

Income Tax Lawyers in Langley

Income Tax Lawyers in Langley - Throughout the nation, our skilled professionals provide services in problems concerning personal tax and estate planning, tax litigation, corporate tax, and commodity tax fields. We offer our clients assistance and advice for both domestic and international transactions.

Our team and its members have experienced both government departments and private industry and quite often work with the government regarding the many laws of taxation. Some of our current members are also members of various different professional organizations like for instance certain tax foundations and the International Fiscal Association. Also, members of our firm usually provide several educational lectures regarding taxation matters.

Our clients comprise trust companies, financial institutions, pension and mutual funds, owner-operated businesses, accounting firms, foreign enterprises, estates, charitable foundations and trusts. To ensure that the suggestion our firm provides our clients is both proactive and practical, we discuss with various professionals in labour, corporate, commercial and real estate law.

Our company is experienced in all aspects of tax law and offers specialized services that ensure our clients needs are met efficiently and effectively.
