

Langley Real Estate Lawyer

Langley Real Estate Lawyer - Our legal group has the extensive experience and skills to deal with each and every aspect of commercial real estate. Our litigators have the requisite expertise and knowledge to assist our clients all through a multitude of situations. We have built some long term relationships with our clients, which include lending institutions, life insurance firms, crown corporations, various levels of government, contractors, land developers, asset managers, property managers, landlords and tenants.

The legal departments and/or the portfolio and asset managers of large companies rely on members of our real estate group to advise them about the acquisition, development, and administration of cross-country real estate portfolios. Interaction between experts from other disciplines and our real estate professionals is common to be able to ensure that our clients be given quality service. Amongst the different disciplines comprise merger and acquisition transactions, secured lending transactions, large project and infrastructure financing transactions, and private-public partnerships.

We can efficiently and quickly come to a sensible solution to all of your legal real estate needs, thanks to the full service nature of our practice, in addition to the experience and expertise of the experts that work for us.
