

Estate Lawyer Langley

Estate Lawyer Langley - Our firm's Wills and Estates lawyers help clients with all aspects of wealth preservation.

We assist with all issues or matters which can take place in respect of wills or the administration of estates. Our services consist of, guidance and counsel in estate planning, the formation of trusts, establishment of, charitable bequests, preparation of wills, and other needed deeds or instruments connected to personal estates.

On the administration of estates we provide both advice and opinions to trust companies or individuals. Additionally, we clarify the obligations and duties of executors and trustees, and offer recommendation to estate beneficiaries concerning protection of their legal rights.
