

Langley Injury Lawyer

Langley Injury Lawyer - We have knowledgeable and skilled Class Action lawyers which are experienced in both defending and advancing class actions. Due to the fairly plaintiff-friendly nature of class action legislation, there have been various class action suits which have received nationwide awareness. We have a well-developed network of relationships together with class action counsel within different provinces, enabling us to mount a coordinated method in cases where parallel procedures have been commenced in other jurisdictions.

Normally, class actions tend to create a higher level of public scrutiny and more financial exposure than various types of procedures. Our teams of lawyers have been involved in several class action suits, like for example taxation, securities, insurance, and product liability claims. Our clients benefit from our extensive resources and depth of expertise.
