

DUI Lawyers Langley

DUI Lawyers Langley - Our Intellectual Property lawyers assist clients in enforcing, acquiring, protecting, defending, licensing, exploiting, advertising and marketing their intellectual property. We provide assistance related to patents, copyright, trade-marks, industrial designs and trade secrets.

We offer both timely and effective advice to all clients in all aspects of intellectual property law. Our lawyers have great experience in structuring, documenting and implementing coordinated protection and enforcement of all types and forms of international and domestic property rights.

In today's competitive business environment, the effective enforcement of intellectual property rights is vital. A lot of our firm's lawyers are known as the best within the country. We represent clients before provincial and federal courts and before different administrative agencies.

We provide a multidisciplinary approach, working along with several experts within the fields of Entertainment, Media, Sports and Communications Team, Corporate Finance Group, Tax group and Corporate/Commercial Group. We assist clients in the creation, utilization, licensing and protection of information technology, internet content and musical works. We help with business acquisitions which have an intellectual property aspect. We act for borrowers and lenders about financings secured by intellectual property.
