

Langley Accident Lawyers

Langley Accident Lawyers - Our insurance experts act in the interests of the insurance business in a broad range of matters. These consist of defense of professionals, directors and officers; product liability claims, personal injury claims, class actions, subrogated actions and fire litigation. We offer the insurance trade with legal counsel at all levels of the Courts and have helped insurers in policy wordings.

We act in a broad range of property and casualty claims on behalf of Insurance Corporations and private insurers. Our objective is to be able to provide clients with cost- effective solutions to insurance claims.

We provide corporate advice to insurers. Our long-standing relationships with numerous local and international insurance market insurers allow us to provide the insurance industry with cost-efficient and expert counsel.

Professional Liability

For our accountant, engineer and architect clients, we provide help in the development of professional liability policy wordings by regarding the coverage and coverage in disputes in these areas.

Municipal Liability

Our partners advise local government members and their Commissions and Boards on policy wordings and coverage issues, along with acting as counsel on coverage and liability matters on their behalf. We likewise act for municipalities in liability actions happening out of fire associated losses and code enforcement.

Directors' and Officers' Liability

Claims against directors and officers are handled effectively and quickly. We have skill dealing with coverage issues as control counsel for D&O carriers.

Builders' Risk

We provide litigation in matters associated to materials, faulty workmanship, and design exclusion in builders risk policies.

Insurance Fraud

We could provide service to insurers in those issues in relation to insurance fraud. The frauds might comprise coverage suggestion, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insured and third party service providers.

Fire Losses

Our fire loss group is skilled in each and every aspect of fire associated claims, delivering services in the most effective and focused manner. We provide coverage suggestion as well as manage fire litigation from the initial investigation to the case preparation and presentation phases. We represent insurers when claims of subrogation and bad faith have an effect on their direct interests.

Class Actions

Our lawyers have worked on numerous high profile class action lawsuits comprising financial services, insurance issues, and products liability.
