

Car Accident Lawyers Langley

Car Accident Lawyers Langley - Class action suits present significant difficulties to governments, businesses and various organizations in today's litigious environment. Our groups of lawyers offer the required technical and strategic knowledge required for a successful defense. We are pioneers in this complex and evolving area of the law. Our ability to manage complicated, multi-party litigation is proven by our record in the field of class actions.

We have advised and acted in various high profile class proceedings. Our lawyers are frequently called upon to lead, coordinate and participate in the defense of multi-jurisdictional class proceedings. Our knowledge encompasses mass torts such as products liability cases, pension's claims, securities and other investors' claims, commercial and biotechnology claims.

Our class action lawyers advise our several clients in certain matters that have not yet matured into issued claims. Our litigators are here to help you in responding to class procedures when commenced.

On the subject of class actions, we are considered to be leading educators on the area. Our company comprises members who have written articles and presented them at both international and national conferences.
