Our knowledgeable lawyers from our offices across the nation have the knowledge and practical expertise required to handle the most complex mergers and acquisitions. Our professionals have knowledge of essential industry sectors - E-commerce, Automotive, CleanTech, Mining, Oil and Gas, Telecommunications, Technology, Manufacturing, Banking and Financial Services, Transportation, Real Estate, Hospitality and Insurance - as well as expertise in international and local M&A transactions. Our M&A members maintain strong relationships along with regulators and have in-depth knowledge of the regulatory and legislative realm.

The clients that seek out our skill in all areas of mergers and acquisitions consists of many major international and domestic corporations, controlling shareholders, emerging companies, entrepreneurs, financial institutions, governmental entities, privately held companies, private equity firms, public companies, special committees and board of directors, and management buy-out groups.

To start any work, our M&A group starts with gaining an understanding of our client's business goals and needs. Before whatever negotiating, restructuring, structuring, and completing the transaction, we need to expertly identify and allocate whatever risks. Our focused and strategic method applies to deals of any size and difficulty. We deal with each and every situation with dedication to excellence. Our goal is to effectively devise innovative deals and taxation structures that will meet and exceed client expectations.

Specialized experience of the varied and complex regulatory and legal environment around M&A transactions is important to the success of whatever endeavour. That is why our M&A Group works closely along with our company's professionals in tax, competition/antitrust, foreign investment, pensions and benefits, financing, employment and labour, real estate, environmental, intellectual property, government relations, international trade and customs, and business immigration. If needed, we offer extensive insolvency and restructuring skills to resolve challenges faced by distressed targets. If hostile situations associated to securities litigation issues or regulatory hearings arise, clients can count on our firm's knowledgeable litigation team.

We conduct privately negotiated purchases of shares or assets, public company mergers and acquisitions completed by way of take-over bids, and amalgamations and plans of arrangement. Our clientele benefit from the strategic and comprehensive suggestion offered by our Private M&A and Public M&A lawyers, from the initial stages of a transaction throughout to post-closing issues. Our objective is to offer solutions-driven transactional services in an innovative and cost-effective way to reach your business goals.
