

Securities Lawyer Langley

Securities Lawyer Langley - Clients depend on us to assist them in accessing both the private and public capital markets. Our seasoned legal professionals offer suggestion about the accumulation of money within the structure of applicable securities regulations, policies and laws. Both issuers and underwriters are part of our client base, seeking help with offerings of debt and equity securities. Furthermore, we also represent investors and issuers about seed capital and venture capital offerings and private placements. Our company can even help our clients in annual meeting requirements and in meeting applicable continuous disclosure.

Another primary aspect of our firm is our agency practice, which includes us representing law companies all around the country. We assist in the completion of cross-jurisdictional transactions, which normally requires us to evaluate a transaction from the regulatory compliance's point of view, sending whichever necessary applications to the Securities Commission, and meeting with personnel at the Commission.

Local and national publicly traded issuers, venture capital funds, independent corporate finance firms, the securities divisions of chartered banks, law firms, portfolio managers and investment counsel, and mutual funds consultants are all amongst our diverse client base.
